Book Overview:

There are three little words most guys donâ€™t want to hear on the first date. Not thoseâ€”I mean theseâ€”â€œknock me up.â€•

This single gal has had enough of the games, the BS and the endless chase. I know what I want most, and itâ€™s not true love. Itâ€™s a bun in the oven, and Iâ€™m not afraid to hit up my sex-on-a-stick co-worker to do the job. Ryder is gorgeous, witty and charming â€” and heâ€™s also a notorious commitment-phobe. That makes him the perfect candidate to make a deposit in the bank of me.

*I won't fall for him, he won't fall for me, and there's no way baby will make three.
Right?*

There are four words every guy wants to hear on the first date "your place or mine?"

When my hot-as-sin co-worker makes me a no-strings-attached offer that involves her place, my place, any place as well as any position I can't refuse. Besides, I've got my own reasons to take her up on her deal even with her one BIG condition.

There's no way I'll want more from one woman than any position, any where, any night? Except . . . what if I do?

Note: Be prepared to swoon and fan yourself from the heat! This full-length standalone contains lots of hot baby-making s-e-x, happy tears, naughty jokes and a hot, swoonworthy hero you will fall madly in love with.

This book is one of best seller books in the world. Many of people very interesting to read this book. So, your life will be regret if you never read this book on your life.
